No-cost virtual event  
Thursday, April 14, 11:30 a.m.–1 p.m.

## Parenting Together — Even If You're Not

Co-parenting requires a lot of effort and doesn't come easy! Things like empathy, patience and communication are all part of the recipe.

We will explore how to implement these pieces of the puzzle even when the parents are not together and others are also involved in raising the children.
