Role of Fathers in Breastfeeding by Jarold Johnston Resources:

- Antwon and Debias Lee Video: <https://www.youtube.com/watch?v=cuPl6VVil5A>
- 24 Hr Cribside Assistance:
<https://newdadmanual.wordpress.com/2016/11/05/welcome/>
- Beautiful Dads Compilation: <https://www.youtube.com/watch?v=Y93E5D7cepc>
- Breast for Success: <https://www.uhhospitals.org/services/obgyn-womens-health/patient-resources/breast-for-success/for-fathers>

Task Force Resources:

Engaged Dads have a powerfully positive impact on the health outcomes for their children. We are proud to share two products developed by the NWA Inclusion of Dads Task force. The tools are intended to be used at the WIC clinic setting to influence our perception, acceptance, and normalizing of dads participation in the WIC experience. Our hope is that you review these materials as a team and are inspired. This resource includes:

- Toolkit:
<https://s3.amazonaws.com/aws.upl/nwica.org/engaging-men-and-dads-at-wic-toolkit.pdf>
- One-Pager:
<https://s3.amazonaws.com/aws.upl/nwica.org/engaging-wic-dads-one-pager.pdf>
- Graphics:
<https://s3.amazonaws.com/aws.upl/nwica.org/dads-in-wic-social-media-graphics.zip>
